## REMINDERS FROM THE SCHOOL NURSE

### School Physicals

Parents, please remember to have your physician complete your child's physical form and immunization record if your child is going into Kindergarten, 4th or 7th grades or plan to participate in a St. Paul's sport for the 24.25 school year. Additional physical forms can be found by clicking [here](#), or by visiting the "forms" page on the school website.

### Medications

If your child has a prescription or over the counter medication at school, a parent will need to stop by school to pick it up. The school cannot store this medication over the summer. The medication and permission forms from 23.24 will not be valid next fall. A new form must be completed for each school year. Medication forms can also be found on the forms page of the school's website.

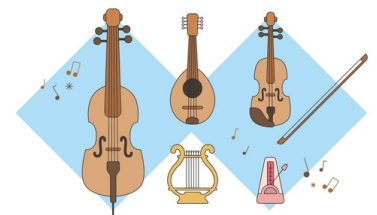

## PIANO LESSONS

Are you aware of the piano instruction program here at St. Paul's School? Students in grades 2 through 8 are able to participate. If you are interested in getting more information about the program for the next school year, please call or text Mrs. Arnold (816-519-6684) or Mrs. McMiller (262-225-7969). If you are thinking about lessons please let one of them know. They would be happy to give you more information. It's never too late to learn how to play the piano!!

## STRINGS LESSONS

Among the many musical offerings at St. Paul's, don't forget the stringed instruments! Unlike band and choir, this instruction is available one-on-one.
